

COMMISSIONS BY *Emma Ward*

THE LOWDOWN ON ART COMMISSIONS

A little about the process :

1. Every commission starts with a conversation- this could be via zoom, messenger or in person. I can help you make the right choices to suit your space. We'll talk colours, theme, composition and dimensions.
2. Following our meeting I will get back to you with a plan and a quote. If you're happy, we will move forward and I'll ask you to confirm the commission by committing a deposit of 30%. This is non-refundable, and will cover the cost of materials and setup for your piece.
3. Following this, I get painting.
4. As I move through the painting, I will send you some work-in-progress shots to make sure I'm on the right track. The cost of your work includes two design changes if required. Additional changes may incur an additional fee (this rarely happens as by now, we've had a good discussion and I'm pretty sure I know what you are wanting. But, once finished, if you don't love it, you're welcome to leave the painting in my home - **understanding that the 30% deposit is non-refundable.** This goes towards the time I've taken to paint so far, the Artist's quality materials and canvas.
